

## **SECTION 5 – MEMORANDA OF UNDERSTANDING AND INTER/INTRA-AGENCY AGREEMENTS**

### **General Instructions**

Please complete the Memoranda of Understanding (MOU)/Inter/Intra-Agency Agreements (IAA) listing to summarize all the MOUs and IAAs in your county/city program (see page 2-13). MOUs and IAAs that are new, have been renewed, or have been changed should be submitted.

### **California Children's Services**

#### **Healthy Families Program:**

**Independent County Responsibilities:** MOUs and procedures for implementation of MOUs between the county CCS program and the Healthy Families plan(s) must be on file at the county CCS office. Anytime a HF plan initially enters or re-enters a county, a signed MOU is required and procedures must be developed with the HF plan for implementing the MOU. **MOUs that have already been signed with the existing plans should remain the same.** It is appropriate that all staff who coordinate with the plans are aware of this document and periodically review it.

**Dependent County Responsibilities:** MOUs and procedures for implementation of MOUs between the county CCS program, the CMS Branch and Regional Offices, and the HF plan(s) must be on file at the county CCS office. Anytime a HF plan initially enters or re-enters a county, a signed MOU is required and the procedures that were developed by the CMS Branch must be shared with the HF plan(s) for implementing the MOU. MOUs that have already been signed with the existing plans should remain the same. It is appropriate that all staff who coordinate with the plans are aware of this document and periodically review it.

Counties that use one MOU for both Medi-Cal and Healthy Families may revise the MOUs as necessary.

#### **Medi-Cal Managed Care Plans:**

MOUs between the plans in the 12 two-plan model and the Geographic Managed Care (GMC) counties must have an approved MOU on file. The approval comes from the Medi-Cal Managed Care Division. If the MOU is not yet approved, the county should develop and submit a workplan to complete the MOU.

Counties with County Organized Health Systems (COHS) are strongly encouraged to negotiate a MOU with the Medi-Cal Managed Care Plan(s) in their jurisdiction.

#### **Special Education/Local Education Agency:**

An IAA is required between the county CCS Medical Therapy Program and the Local Education Agency (LEA) or Special Education Local Planning Area (SELPA). The IAA delineates responsibilities such as, but not limited to, appointment of liaison positions, referral and exchange of information, participation in Individual Education Planning Meetings, and Medical Therapy Unit requirements for space, operations, and supplies.

### **Other Programs:**

Include other agreements such as Regional Centers, Early Start, etc.

## **Child Health and Disability Prevention Program**

### **Department of Social Services:**

An IAA between the local Child Health and Disability Prevention (CHDP) program and the DSS (DSS) is required every two fiscal years. A model format is provided in this section that reflects the minimum requirements (see page 5-9). *Please describe local needs and policies where words appear in Italics.*

Sample forms referenced in the IAA specific to the CHDP Program and used by the DSS, such as the CHDP Referral Form (PM 357) and Quarterly Report of Medi-Cal Recipients Requesting CHDP Services, can be found in Section 10 - References (beginning on page 10-72). The name of the local health jurisdiction and the effective dates of agreement are to be listed on each page of the IAA and must correspond to the signature page.

### **Health Care Program for Children in Foster Care:**

A MOU among health, welfare, and probation departments in each county is required for the continued operation of the HCPCFC at least biennially. The MOU delineates the roles and responsibilities of the PHN, Social Worker, and Probation Officer in the HCPCFC.

The HCPCFC MOU may be referred to in the IAA between the CHDP Program and the DSS. A model MOU for the HCPCFC is located in this section beginning on page 5-24. The name of the local health jurisdiction and the effective dates of agreement are to be listed on each page of the MOU and must correspond to the signature page.

### **Medi-Cal Managed Care Plans:**

Local CHDP programs in the 12 Managed Care Expansion Counties must have in place a negotiated MOU with each of the Medi-Cal Managed Care Plans in their jurisdiction.

Local CHDP programs in other counties implementing Medi-Cal Managed Care are strongly encouraged to have in place a negotiated MOU with the Medi-Cal Managed Care Plan(s) in their jurisdiction.

### **Other Programs:**

Any revised interagency/interprogram agreements with the Women, Infants, and Children (WIC) Supplemental Nutrition Program, the Childhood Lead Poisoning Prevention Program (CLPPP), the Adolescent Family Life Program (AFLP), Head Start, and any other program, should also be attached to the Plan.
